Attention of the Manager

Dear Sirs:

Would it be possible for our Museum to obtain one of the badges that your Company distributes to the Gold Star Mothers on their European pilgrimage? The Museum of this Society makes a specialty of acquiring, for exhibition purposes, all badges and medals of this character, and especially of anything pertaining to the world war. We should appreciate it very much indeed if you could help us in any way in this matter.

Thanking you for your courtesy,

Very truly yours,

Curator.
